Highlights

School team building on the ropes course at Lutherhaven, Night of the Notables setting new records for participation and fund raising, Life Sports activities, the World's Fair project, working with an incredibly talented, passionate and dedicated group of teachers.

Our school is moving to a 6th, 7th, and 8th grade middle school model that is in harmony with our hands-on, project based philosophy. We implemented block scheduling to enable more in-depth work in each class and to better prepare our students for high school. We also implemented a school wide weekly reading program and after school study hall for students.

Progress Towards Meeting Goals

2005-06 Goals	Progress
Increase student achievement on state mandated tests	Met AYP, test scores on Direct Math Assessment increased by 30% Direct Writing increased by 12%
Continue to create project based, meaningful education for middle school students. Projects are intended to be interdisciplinary and culminate in an event with an authentic audience.	Events included Night of the Notables, World's Fair, Hydrogen Fuel Cell Cars, Science Bowl, Scientist Monologues, Rocketry, Persuasive Speeches and Mock Trials.
Increase academic rigor in classrooms and challenge students appropriately	Students required to achieve 70% in order to receive credit on core subjects
Build positive teacher/student relationships	Advocacy program continues to be an effective tool for mentoring students and holding them accountable for behavior and academic performance
Help students who are struggling to achieve at a higher level	Provided supervised study hall 2-3 days per week after school
Expose students to life sports	Mountain biking, tennis, hiking, golf and winter sports were all part of the curriculum
